**Subject:** Public comment on FL 404 assumption

Hello Kelly,

I have been contacted by the former head of the Florida DNR (FDEP's modern day equivalent agency) and she wants to submit written comments on the proposed 404 assumption. Can you please provide me some guidance so I can properly inform her? What is the deadline for written comment? To whom should she

address her comments (EPA or FDEP, or both?) and finally, what physical and electronic address should she use? Thank you,  
Jane
